VII. PUBLIC HEARING(S)

A. Parallel Drive Annexation:

The public hearing was opened at 6:36 p.m. There were no public comments, and the hearing was closed at 6:37 p.m.

A motion was made by Council Member Parmentier, seconded by Council Member Rumpfelt, and unanimously carried by voice vote that the City Council find, based on the facts presented in the staff's revised Initial Study for the project, that the significant environmental impacts that have been identified are mitigated by the mitigation measures and conditions of approval to less than a significant level, and therefore adopt a mitigated Negative Declaration for the project, as provided for in the California

Environmental Quality Act, with a finding that payment of the fish and game impact fee is required. The City Council's adoption of environmental findings is based on the information and documentation contained in the City's Initial Study on the project, and the information and facts received at the public hearing on April 15, 2008. The City Council's adoption of a mitigated negative declaration shall be subject to the mitigation measures specified in the Initial Study and/or as amended by the City Council at the public hearing. The City Council directs in accordance with Section 17.35.020 of the City of Lakeport Zoning Ordinance that upon execution of the project conditions agreement, the Community Development Department shall carry out the following environmental mitigation monitoring procedure: (a) Staff shall conduct a pre-construction/pre-permit review of the conditions that must be satisfied prior to the issuance of a building or other development permit and note the status accordingly; (b) Staff, in conjunction with other City departments, shall conduct a review of the project and the conditions that must be satisfied during the construction or development phase of the project. All required conditions shall be completed prior to the issuance of an occupancy permit, operation of the use, or execution of a financial security agreement; (c) Staff, in conjunction with other City departments, shall conduct post-construction review of the project and the conditions of approval. The post-construction monitoring shall be completed as needed. The post-construction report must indicate the status of all conditions, remedial action necessary, and other observations and recommendations. Post-construction reports may be made available to the Lakeport City Council or City Council who may initiate actions necessary to correct any deficiencies.

X. CITY COUNCIL COMMUNICATIONS:

A. Miscellaneous Reports, if any:

Council Member Rumpfelt is concerned with the number of yard sale signs being placed on poles in the City and expressed that we really need a code enforcement officer to deal with these types of issues. Council Member Rumpfelt was also concerned with the number of boats entering the lake without the quagga mussel stickers. Council Member Bertsch reported that the County had run out of stickers.

Council Member Bertsch reported that signs will be sold for the fences at the Westshore Pool. Channel Cats will be able to sell signs for the west fence and keep the revenue. The other three sides will be sold by the City.

Police Chief Burke is holding a volunteer appreciation lunch on April 29, and all Council members will be attending.

Public Works Superintendent Grider reported that they have finished crushing the grindings pile. A total of 8,940 tons were ground, which will save the City \$157,000.

Mayor Bruns and Council Member Parmentier will work with Mark Brannigan and Andrew Brittan on an updated sign ordinance.

Community Development Director Brannigan reported that Renee Perez has been working on the Utility Department invoices and was able to save the City money by getting credits with PG&E and Special Districts.
