Lakeport Police Department Joins the National Crime Map

Citizens now have free access to official, timely crime data through the CrimeReports website and iPhone app

Lakeport, CA—December 10, 2010

Have you ever seen flashing blue lights in your neighborhood and wanted to know what was going on? Do you want to find out how safe your neighborhood really is? Now you can, through a new partnership between Lakeport Police Department and CrimeReports, creators of the National Crime Map, at www.CrimeReports.com.

"Providing reliable, timely information to our citizens is one of our top priorities," says Chief Brad Rasmussen. "And partnering with CrimeReports gives us the ability to keep the public informed on a regular basis as to what is going on in the community." He added that the public can access the crime map 24 hours a day through the website or through the CrimeReports iPhone app, available for free download in the Apple iTunes store. The new service even lets local citizens sign up for free customizable email alerts, so they can stay on top of crime in their neighborhood. "Information is power," Chief Rasmussen added. "And we hope that giving the community this information will help them prevent crime in their neighborhoods."

"The Lakeport Police Department is a leader in law enforcement innovation," says Greg Whisenant, founder and CEO of CrimeReports. "They are demonstrating their commitment to the community, to proactive policing, and fiscal responsibility." The CrimeReports service only costs the Lakeport Police Department $49 /month.

The Lakeport Police Department is joining over 1,600 other law enforcement agencies of all sizes across North America who are sharing their crime information with the public through the map, like Baltimore, Boston, San Jose, San Francisco, Portland, Washington D.C., Los Angeles County, and more. You can access your local crime map and sign up for daily, weekly, or monthly email crime alerts at www.CrimeReports.com or at the Lakeport Police Departments website at http://www.lakeportpolice.org .

About CrimeReports

Partnering with over 1,600 law enforcement agencies, CrimeReports is the #1 crime map and anonymous tip network in North America. It offers the largest and most accurate resource for timely, street-level crime and sex offender information on the web. The CrimeReports network offers a family of affordable, easy-to-use software tools created to help law enforcement agencies understand crime trends, share up-to-date information with the public, and receive actionable intelligence from the community. Empowering them to make informed decisions and help improve community safety, citizens can access the integrated crime map, create or join neighborhood groups and collaborate with other citizens and local law enforcement free at www.CrimeReports.com. CrimeReports services are offered by Public Engines, Inc. For more information, visit www.CrimeReports.com.
