ESCAPED ATTEMPTED MURDER SUSPECT CAPTURED

Date: June 23, 2012

From: Sergeant Dale Stoebe

An escaped ATTEMPTED MURDER SUSPECT, Raymond Richard Casillas, 22 of Lakeport, was captured earlier this evening by Sonoma County Sheriffs Department personnel. An astute citizen, who recognized Casillas from WANTED information, tipped the Sonoma County Sheriffs Department to a residence in the Windsor, California area where Casillas was located and taken into custody without incident.

Casillas is in the process of being returned to Lake County where he will be booked and face charges stemming from allegations of an attempted homicide on 6-22-2012 in the area of Central Park Avenue and Shady Oak Street in Lakeport.

Anyone with additional information regarding these allegations is encouraged to call Officer Gary Basor or Detective Robert Jordan at the Lakeport Police Department.
