

NEWS RELEASE

Lakeport Police Department
916 N. Forbes Street
Lakeport, CA 95453
(707) 263-5491

SPECIAL TRAFFIC ENFORCEMENT DETAIL

September 8, 2010

From Lieutenant Brad Rasmussen

For further information contact Sergeant Dale Stoebe

During a selected day in the week starting September 13, 2010, Lakeport Police Officers will be conducting Special Traffic Enforcement Operations in various areas throughout the city of Lakeport. Officers will be primarily targeting drivers who are operating their vehicles at speeds unsafe for conditions and who are failing to stop for pedestrians in crosswalks, but will also be looking for any other violations that cause unsafe or dangerous driving conditions for the public.

These special enforcement operations are being conducted in response to citizen concerns regarding traffic safety as well as the department's continued efforts to reduce accidents and increase driver and pedestrian safety and awareness.

Future operations of this kind are planned.

**Kevin Burke
Chief of Police**
