ADDENDUM NO. 2 ENGINEERING SERVICES FOR SEWER MAIN REPLACEMENT RFP

Issued Date: August 19, 2019

The following questions have been asked regarding the above referenced project. The following are the questions with responses:

1. Will there be any planning or permitting tasks that you foresee I should plan for in my cost estimate?

Answer: There are no planning or permitting tasks required of the Consultant.

2. There is no mention of the preparation of a bid book and/or technical specification preparation should I leave that time out of my estimate?

Answer: The City will prepare the specifications including bid book and technical specifications. The Consultant shall provide a detailed engineer's estimate of quantities and costs to be used in the bid schedule.

The due date for proposals remains the same.

All questions regarding this project shall be transmitted in writing as indicated in the bid documents.

Please indicate receipt of this addendum on the proposal at the location indicated. Failure to do so may cause rejection of your bid.

Approved:

A handwritten signature in blue ink, appearing to read 'Paul Curren', is written over the 'Approved:' text.
