

CITY OF LAKEPORT
GOVERNMENT ACCOUNTANT

Job Description

DEFINITION

Under the general direction of the Finance Director, and in accordance with accepted accounting principles and procedures, performs technical accounting work; examines, analyzes, and verifies fiscal records and reports; assists in the preparation of financial reports and audit information; designs, develops and evaluates workflow processes for the financial systems; may provide work direction to technical and clerical employees; administers the City's financial activities, systems and programs in areas such as general accounting, accounts payable, payroll, utility billing and revenue; and performs related and other work as required with a strong and progressive customer service orientation.

CLASS CHARACTERISTICS

The Government Accountant is a mid-level management classification. The incumbent reports to the Director of Finance and exercises general supervision of Finance clerical and technical staff to carry out the mission of the Finance Department.

ESSENTIAL FUNCTIONS

The following duties are typical for this classification. Incumbents may not perform all of the listed functions and related duties, may be assigned to multiple functions/duties, may share assignments and/or functions/duties with others, and/or may be required to perform additional or different functions/duties from those set forth below to address business needs and changing business practices.

Supervise the utility billing system; calculate, print and mails water bills; post payments; open and close accounts; issue late payment notices; print and reconcile reports and maintain files; respond to customers' inquiries; coordinate with meter readers and Public Work personnel regarding service installations, repairs and shut-off.

Supervisory responsibilities include: Accounts Receivable, including checking and balance cash received daily; Accounts Payable, including processing and maintaining accounts payable systems. Recommend appropriate modifications to utility billing, receivable and payable policies and procedures. Supervise, analyze and report on transient occupancy tax information.

Process and maintain payroll system including processing quarterly payroll reports, W-2's and 1099's. Maintain confidentiality of sensitive financial, payroll and human resource related data.

Maintain computerized general ledger and reconcile detailed accounts to general ledger controlling accounts using complex electronic spreadsheets and other supporting materials of their own design.

Create financial reports, statements, accounts and records of expenditures in a computerized environment including but not limited to processing miscellaneous billings, quarterly occupancy tax forms and receipts, and developer deposits; assisting in the preparation of the annual budget, including spreadsheet preparation, supporting documentation, and various reports; and preparing year-end financial information and reconciliations in support of audit preparation. Maintain financial reporting systems for grants including Community Development Block Grants.

Maintain courteous, professional and effective working relationships with other City employees and members of the public. Assist with customer service, administrative and accounting activities normally performed by clerical accounting personnel. Coordinate with Information Technology staff and contractors and the financial system software provider for the ongoing maintenance and/or conversions of the financial system.

Follow City policies and guidelines.

Perform other related tasks and duties as required.

QUALIFICATIONS GUIDELINES
