

MINUTES
TRAFFIC SAFETY ADVISORY COMMITTEE AGENDA
REGULAR MEETING
Monday, September 9, 2019

- 1. CALL TO ORDER**

Chair Dollosso opened the meeting at 4:02 p.m. with Committee members Barrett, Cole, Dollosso, and Maxman present and Committee member Brown absent. Staff present: Community Development Director Ingram, Chief Rasmussen, City Clerk Buendia, City Engineer Curran and Lieutenant Stoebe.
- 2. APPROVAL OF MINUTES OF JUNE 3, 2019**

A motion was made by Committee member Barrett, seconded by Committee member Cole, and unanimously carried by voice vote, to approve the Minutes of June 3, 2019. Committee member Brown was absent.
- 3. PUBLIC INPUT**

There was no input offered from the public.
- 4. DISCUSSION/ACTION ITEMS**

 - A. Review of Traffic Safety Related Complaints

Community Development Director Ingram provided a supplemental staff report discussing and reviewing observed trends in received traffic safety related complaints to the City of Lakeport. Staff recommended that a traffic engineer be retained to investigate five areas including:

 - Pedestrian Crossing on Lakeport Blvd. Between Larrecou and Forbes.
 - Bevins Martin Street Intersection
 - Lakeshore Blvd. Corridor between Giselman and Lange
 - Intersection of Third and Forbes Street
 - Pedestrian Crossing of Bevins near the Gateway Business Park (975 Bevins)
 - B. Eleventh Street Corridor Feasibility Study Update

Community Development Director Ingram gave an update on the status of the Eleventh Street Corridor Feasibility Study. Consultants on the study have conducted much public outreach including booths at the fair and National Night Out, an online survey, and door to door out reach to residents in the area. The consultants are suggesting a small turning circle at 11th and Forbes as a potential option. Another element in the study is potential bike lanes on 10th
 - C. Lake County Pedestrian Needs Study Project Update

Community Development Director Ingram gave an update on the Lake County Pedestrian Needs Study Project for the City of Lakeport. Ten priority projects have been selected. Staff is waiting for the completed draft study.
 - D. Hartley ATP/Safe Routes to School Project Update

City Engineer Curran gave an update on the Hartley ATP/Safe Routes to School Project which includes sidewalks along Hartley from 20th to Anastasia. The environmental documents have been completed and the funding needs to be completed. The project is on target and construction is targeted for next summer.

E. General Capital Improvement Projects

City Engineer Curran gave an update on City of Lakeport Capital Improvement Projects.

- Berry Street new experimental chip seal treatment, which could become a cost effective solution for other areas.
- South Main Street will be a full depth reconstruction from Peckham Court to the City limit. There will also be some water line projects. The work will be done at night. The project should take two weeks beginning this fall.
- A sewer line replacement will be done on 9th Street which will result in new pavement.
- Second Street will be improved, with curb, gutter, sidewalks, utility replacement, and irrigation as part of a larger project. This will match the Main Street aesthetic and trees.

F. Meeting Cancellation

A motion was made by Committee member Maxman, seconded by Committee member Barrett, and unanimously carried by voice vote, to cancel the November 11, 2019 meeting for the Veteran's Day Holiday with the next meeting set for January 13, 2020 and recommend that staff call a special meeting if needed. Committee member Brown was absent.

**5. GENERAL TRAFFIC ITEMS
FROM COMMITTEE MEMBERS**

Chief Rasmussen introduced Lieutenant Dale Stoebe.

Committee Member Maxman asked about striping on Russell and said he would email a picture of the trouble spot.

6. ADJOURN

Chair Dollosso adjourned the meeting at 4:52 p.m.

Kelly Buendia, City Clerk
