

CITY OF LAKEPORT

Water Expansion Fees

The City of Lakeport charges water expansion fees at the time of issuance of building and/or plumbing permits.

Water expansion fees are charged based on water meter size in accordance with the table below. The required size of the water meter is based on building size, number of plumbing fixture units, and building code requirements. A single-family residential unit is most often served by a ¾-inch water meter which is the minimum size provided by the City.

Meter Size	Expansion Fee
¾"	\$ 7,845.00
1"	\$ 15,683.00
1 ½"	\$ 31,369.00
2"	\$ 47,422.00
3"	\$ 94,109.00
4"	\$ 156,941.00
6"	\$ 298,013.00

The installation of a water lateral to the project is an additional cost and will be charged to the property owner on a time and material basis.

Water expansion fees will be adjusted in accordance with Resolution #2464 (2012).
