**ORDER OF THE HEALTH OFFICER No. C20-3; A1
IN-PERSON ACTIVITIES AND GATHERINGS TO STOP OR BE CANCELLED
Addendum (1) 03/22/2020
ORIGINAL ORDER DATED MARCH 18, 2020**

DATE OF ADDENDUM ORDER: March 22, 2020

Please read this Order carefully. Violation of or failure to comply with this Order is a misdemeanor punishable by fine, imprisonment, or both. (California Health and Safety Code § 120295, *et seq.*; California Penal Code §§ 69, 148(a)(1); Lake County Administrative Code Article I, Section 1-10.

Summary: The risk from coronavirus continues to escalate in our region and across the country. We have taken strong measures to try to slow the spread-- issuing emergency orders, closing schools, and on March 19, Lake County began following "shelter in place" orders. These actions are very disruptive to people's lives and financial security, yet they are necessary to prevent the spread of this potentially devastating illness. Public Health Officer issued Order c20-3 for the County was issued on March 19, 2020 and was similar to orders issued by many neighboring counties that mandated people stay home and stop all non-essential visitation and gatherings, except to conduct "essential business." What constitutes "Essential" businesses are well-outlined in the order, and FAQs that can be found on our webpage. Governor Newsom issued similar orders for the whole state the following day. Reportedly, 25% of the US population has been placed under some form of these isolation orders.

We need public cooperation to stop any unnecessary activity. Please do not ignore the Order to stay at home with your family. Mixing with other people, ignoring social distancing, having out of town guests are the ways that this virus will get a foothold in the community. Given the escalation of regional COVID-19 infections, and given the fact that over the weekend there has been significant recreational activity in local parks, hotels, and on Clear Lake that increase the risk of transmission, I deem it necessary to take stronger action in an attempt to prevent the introduction and transmission of the coronavirus into Lake County.

Under any of the limited circumstances in which individuals are allowed to interact in person

ORDER OF THE HEALTH OFFICER No. C20-3
Addendum (1) 03.22.2020

outside their residence, the Health Officer Order directs individuals to abide by the following requirements:

- (i) maintain at least six feet from other individuals, wash hands with soap and water for at least 20 seconds, or use hand sanitizer, as frequently as possible, cover coughs or sneezes, and not shake hands; and
- (ii) people with medical conditions, regardless of age, putting them at higher risk of serious complications should they be infected with COVID-19, other than health care workers and other essential service providers, SHALL SHELTER AT HOME unless seeking medical care; and
- (iii) employers in Lake County that do not provide essential business or government services, take all steps necessary for employees to work from home, to the extent possible. These requirements build on the California Department of Public Health and United States Centers for Disease Control and Prevention guidelines issued March 11, 2020, extended as necessary to address the health emergency affecting the Lake County, and
- (iv) No individual who is sick may go to the workplace or be outside the home, except as necessary to seek or receive medical care in accordance with guidance from public health officials.

THIS ORDER IS IN ADDITION TO THE PUBLIC HEALTH ORDER NUMBER C20-3, ISSUED March 18, 2020 A COPY OF WHICH IS ATTACHED TO THIS ORDER AND INCORPORATED BY THIS REFERENCE AS WELL AS THE STATE GUIDANCE REGARDING ESSENTIAL CRITICAL INFRASTRUCTURE WORKERS ISSUED MARCH 20, 2020.

THIS DOES NOT REPLACE THE PRIOR ORDERS BUT IS IN ADDITION TOO.

The Health Officer may revise this Order as the situation evolves, and all service providers and managers of facilities subject to this Order must stay updated by regularly checking the Public Health website (<http://health.co.lake.ca.us/Coronavirus.htm>).
