

Resources for Parents

[Lake County Office of Education](#)

[Science Bob](#) – Fun science experiments to do at home

[Space Racer](#)

The animated TV series "Space Racers" has shared educational content for students during school closures amid the COVID-19 outbreak.

"Space Racers" is a NASA-funded, award-winning preschool television series that follows young spaceship cadets at the Stardust Space Academy as they explore the solar system. Episodes of the TV series — along with educational content; science, technology, engineering, art and mathematics (STEAM) activities; and educator-approved lesson plans — are available online.

Virtual Tours for Museums and Cultural Sites

Google Arts and Culture

Google Arts and Culture partnered with over [2,500 museums and galleries around the world to offer virtual tours of their spaces](#). Some of the options include New York's Museum of Modern Art and Amsterdam's Van Gogh Museum.
